

# ORIENTATION

**June 21, 2023**

*Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).*

## **Housing Assignments**

First-year housing assignments and roommate information will be available the week of July 24. Students will receive a notification via their villanova.edu email address when housing assignments are available.

## **Move-In Arrival Times**

Shortly after receiving housing assignments, students will be able to sign up for an arrival time on move-in day, Friday, Aug. 18. Move-in is also available the morning of Saturday, Aug. 19 for those unable to arrive on Friday. More details regarding move-in will follow later this summer.

## **What to Bring/What Not to Bring**

Ahead of move-in day on Friday, Aug. 18, please familiarize yourself on what to bring to campus, including microfridges, carpeting, bath and linen needs and other items to help make your room or apartment feel like home. It is equally important to read about what not to bring to campus, as well as securing insurance for your personal belongings. Please visit the [Office for Residence Life website](#) to learn more.

## **Room Accessories**

The Office for Residence Life has partnered with the Villanova University Shop to offer students the opportunity to [purchase room accessories](#). Items include carpets, bedding, shower and bath supplies, and desk accessories. Carpets purchased through the University Shop by Thursday, July 27 will be delivered to rooms before move-in, while items purchased after July 27 will be available for pick up during move-in at the tent located in front of the University Shop.

## **Mattresses**

All first-year student residence halls include standard mattresses that measure 36x76x7. Residence Life has a limited supply of extra-long mattresses measuring 36x80x7 that are available upon request and based on need. **Please note: requests for an extra-long mattress should be limited to individuals over 6'2" in height.** These mattresses require extra-long twin-sized sheets. Students can request an extra-long mattress when they complete the housing application or by contacting the [Office for Residence Life](#).

**Microfridge**

Residential students living in non-apartment/suite units can have a microwave and dorm-size refrigerator (3.0 cu. ft.) in their rooms. Students can choose to purchase their own unit or rent from [myMicrofridge](#). Students who order a microfridge by Friday, July 28 will have the unit delivered to their rooms before moving in.
